Becky and family, we were all so sad to hear about Kevin and so soon after your Mom. He wasWomen's to work with in Young Men's when I was in Young Womens. My kids all loved being around him. My Dad and Mom loved him too. Our hearts are broken for you but we will all be together again soon. Keep that thought in mind. Hugs and loves to you and your family.

My condolences go out to Rebecca and all of Kevin's family we never know when God will bring us home to Him but we are sure it's the right time in His eternal plan for us. Nothing can fill the void in our life better now than our Lord Jesus Christ and that's where I go to find comfort knowing Kevin is with Him watching over us.

I am so sorry to hear of Kevin's passing. You have my most sincere condolences. He was such a great person, always smiling and laughing. He was a great sparring partner in Karate-do, one that you had to really avoid. He was built like a rock and could hit twice as hard! While I haven't seen him in a number of years, I shall always miss his smile and demeanor. My thoughts and prayers are with Becky and the family. Peace, Steve

I am incredibly saddened to learn of Kevin's passing. I grew up with Kevin and his family as my next door neighbors and have incredibly fond memories of him. As a boy and a teenager, I would shoot arrows with him in his backyard. It was only later that I realized that if my aim were any worse, I could have sent an arrow through my own bedroom

window. Fortunately, Kevin never let that happen. Becky, please accept my condolences. May you and your family find peace and comfort in knowing that he touched the lives of many and we are all better for having had his presence in our lives. My deepest sympathies, Bret

May you have His strength to help you through this difficult time. Our thoughts and prayers are with you. Love, Jerry and Lou-Jean Harris

I'm so sorry for your loss "Pass Them On” Remembering that I’ll miss you, and now that you have gone. Fond memories that I have of you, I’ll be sure to pass them on I’m so tired of the sorrow, that comes with loss of life. It’s my memories of the good times, that get me through the night. I sometimes think of how, Gods plan for me has changed. Is the heartbreak that I feel, by chance or pre-ordained? I don’t have the answers, should’ve studied for the test. I’m grateful for the time we had, I know my life’s been blessed. Remembering that I’ll miss you, and now that you have gone. Fond memories that I have of you, I’ll be sure to pass them on.
