Connie was like a second mom to me. She always thought of others and was in the service of others. She would post pictures of her grandchildren , she was so proud of them. My thoughts and prayers go to the family I am so sorry for your loss.

Dear Randy and family, We are so grateful to have known Connie over the years. She was so fun to serve with in Young Women’s and such a loving and kind friend. You both have been great examples of service. Our hearts and prayers are with you as we know you will miss her so much.. Thank heavens for our knowledge of eternal families. We pray for you to feel comfort and peace. We love you.

Connie was my visiting teacher, she always was so compassionate and friendly, helpful and giving. She always had beautiful necklaces, and fresh nails, with a friendly message. She was a great friend, we grew close over the years. Paul and I enjoyed Randy and her company at dinner events, and ward activities. We have since moved retired in St George, been away for 6 years. I have missed being closer. We share our deepest condolences for your loss.

She is amongst the sweet angels of heaven, she is one of them. We love you Connie, till we can be together again. We send our love to Randy and the whole family.

Your son is one of the best examples of who I want to be. Thank you for raising him up to be the man he is today. One of the sons of Helaman. I'm grateful to rub shoulders with you through him. He sure loves you!

Randy & family, please know that our hearts are grieving with yours. Connie blessed so many people during her life including ours. Our family was created because she took a little drive not knowing why, but ended up right where she needed to be. She lived her life serving others and moving forward during difficult times. We are missing her with you & awaiting the day we will see her again.

Connie is always a light of pure charity to everyone she associates with and wins over hearts with her quick smile and immediate interest in others. I always loved to be around her because she radiated a special light that drew others to her. She was an Angel on earth to help so many in the smallest details of their life! She has left an amazing legacy to her family that will be an awesome example of a disciple of Jesus Christ.

I loved stopping by your house as a teen and visiting with Connie and sometimes Randy. She would always listen without judgement. She was an amazing Young Women's leader and I loved getting to serve as a camp leader with her after my mission. Connie always had a smile for everyone. She was so full of love and care for those around her. She had a gentle, loving soul that was was probably too good for this harsh world. She was an angel in the flesh. Sending much love and many prayers to the Seal family. ❤■

My dearest Connie I have a hard time not having you here with me. I text you a message then realize that you aren't going to answer. I love you so much and love your family. I still need my friend to talk me off the roof. I love you like my sister. Say hey to everyone for me and let them know that I miss them.
