Dear Larsen Family, I want to extend to you my heartfelt condolences. Connie was a wonderful woman with many wonderful qualities.

Connie Jean was so kind and encouraging to students like me at West High School. Every time you met her she had an uncanny ability to instill confidence to succeed in school and in life. I am blessed to be one of the thousands of students she has cheered on.

- Jared Pearson

One of the most inspirational women in my life. Had a great impact on me and thousands of other of her "kids" Without Mrs. Larsons guidance I know many peers of mine would agree, our lives would not have been as rich as they were.

- Steven Kendall former student

I was one of Connie Jeanne’s many many students at West High. She was a beloved and brilliant teacher and we all knew she cared about us. I am sorry to hear of her passing and wish peace and comfort to all her family (esp Julie and Steve who were classmates at west). It was a blessing to know your mom and an inspiration to read about her amazing life here.

- Betsy Goodliffe Escandon

Connie Jean was an incredible woman who had a profound impact on my life, both as a mentor during my time at West High and as a second mother to all of Joe’s friends. The Larsen family welcomed us into their home with open arms, and I will always be grateful for their love and support. My heart and prayers are with the entire Larsen family, especially Clyde, during this time.

Truly a life well lived and a family well lived. I know the pain of losing an angel mother and also the peace in the promise of joyful reunions and eternal family bonds. I hope your grief is softened by sweet memories, strong faith, support of friends and family, and that peace which passeth understanding. (Julie and her family are in my sister’s ward and have helped walk with her through a tremendous loss.)

- Maria Wishart

Steve I am so sorry for the passing of your mother. May our Father in Heaven pour out his Blessings upon you and your family and this most difficult and tender times.

- Ron Larrabee

Dear Clyde and Family What a beautiful life Connie Jean lived. Just thinking about her inspires me. Hearing that it was a family funeral seemed so appropriate. Pat Brown showed us some of the many flowers that were shared after the funeral. I feel great simpathy for your loss but know heaven is rejoicing to welcome her back home. With great love and admiration, Catherine and family

I am so sorry to hear of Connie Jeanne's passing. She was a strong and caring presence in my life starting in elementary school. I remember taking her Theory of Knowledge course before school at West High. Despite the

early hour, because of her capacity as a teacher, we had "thoughts as thick as fireflies, all shiny in your mind." I've continued to feel her love and support. Warmest greetings to Julie, Joseph, Steven and Michael.

In Memoriam to a Radiant and Irreplaceable Soul, Wife, Mother, Friend… Connie Jeanne shared her boundless joy of life with us whenever we met. We've had the privilege of sharing our beautiful grandchildren with her and with Clyde…our journey with them has been filled with loving, lasting memories!!! "Motherhood is near to divinity. It is the highest, holiest service to be assumed by mankind. It places her who honors its holy calling and service next to the angels." —First Presidency of The Church of Jesus Christ of Latter-Day Saints

There's no word to describe the loss I feel of Connie Jeanne's sudden passing. Connie Jeanne was an academic counselor and mentor to my two children in the IB program in West High. I got to know her personally and became friends. She had never failed to tell me what a joy it was to interact with my daughter and that she was a ray of sunlight to her and to many. She had never failed to tell me she loves our family. She not only guided my children to a successful college experience, she also came to my daughter's mission farewell and her wedding — what high school counselor would do that except that she genuinely cared and loved! Although we had not interacted personally over the years, she always showed her love and interest in our lives. Connie Jeanne's unparalleled capacity to love and make us feel exceptional and special created a huge impact in my life. She truly exemplified and personified Christ's attributes. I shall miss her dearly. This hole of loss will be hard to fill. The world has truly lost an angel. I love you, Connie Jeanne! May peace and comfort be with your loved ones in your physical absence. With deepest love and gratitude, May & Dennis Hoyt
