A J Carlson III

October 13, 1948 ~ May 17, 2015

I just read his obituary. I didn't know he had passed. Sounds like he had a wonderful life with his family. His sons brought him much joy! Also his extended family. I want to write because he was a special person in my life and I called him Bud. He had a great sense of humor, a wonderful personality! I knew him when I was a teenager. You were very blessed to have him in your life. He was blessed to have you and your love as well. Now you have a lifetime of memories of those special years spent with him!
