Memories of Uncle Kirk. I first think about how overjoyed I was to learn that Kirk wanted to do our wedding video. That was such a wonderful and treasured gift. I was really touched that he would do that and he did a great job! I felt very lucky to also have Clair Dee sing at the wedding. When I was little Kirk was just the kindest man and he was also really fun and liked interacting with the kids. I could definitely see Grandma Larsen in him. My heartfelt condolences to you Marsha and the rest of the family. Much love and big Hugs Love , Darcy ■
