Words cannot express the love we feel for Carolyn. She was a staple in our families life as the other mother, grandmother, and friend. She will be greatly missed. She filled our lives with love, laughter, and an example of how to appreciate all Gods creatures. She and Al have always taken time to be interested in both our lives and the lives of our daughters. The memories made will always be cherished. Our thoughts and prayers are with you. God Bless

I am so thankful for all the memories we have with Carolyn and Al - our Easter, Thanksgiving, and Christmas dinners with them and our family will never be forgotten. The food prepared by Carolyn - yams, pies , salads, desserts of all kinds- the ravioli, best browned turkey in the world prepared by Ab., plus his never to be forgotten famous Italian cookies. The fun Montana camping trips or just the at home visits. Al, Carolyn will always be with you in spirit. You'll feel her loving presence all around you. We love you, Al. Peggy and Familt
