Dear Family. We are so very sorry for your loss. Such a beautiful young woman will leave an incredible ache in so many lives. Father must have needed her back very badly to take her in such a way. Our hearts are with you as you navigate this time.

Kylie was a young childhood friend that I grew up next door to for some of our younger years. The thing I remember most about Kylie was how happy and kind she was. She often would sit and visit with one of the elder neighbors on our street, and I often was recruited along. Kylie was jovial in her conversations, intellectual beyond her years, and steered the conversation to learn about the other person rather than talking about herself. I have no doubt she forever impacted countless people through her kindness. I am so sorry for your family’s loss.

- Heather
