

Kyrona Marie Breese

August 1, 1962 ~ May 15, 2025

What a Dear Sole! We attended Jordan High School together. I remember her timid and quiet character. She did not go unnoticed. She was such a kind person. My condolences to her family. Until we meet again Kyrona!

No one can say the words to ease the pain of losing your child. I Know and won't even try to put it in words. She and my Chris share a birthday August. Just few years different. Know you are in my prayers, today and all days that are to come. May god carry you when it's hard to take that last step. Love you so so much. Beverly Peterson Buchanan.

Kyrona was a true friend. I was a recipient of her gifts every Christmas since we graduated from school. She will be truly missed by many. I am so grateful that we became friends in junior high and my life has been blessed by knowing her. May her family find peace and comfort.

A beautiful obituary for a beautiful person. Each member of our family were recipients of Marie’s individually made Christmas presents every year. So very thoughtful. We grew up together in school and church and in recent years would often see each other at the funerals of our dear friends and neighbors. It’s strange to have her gone so soon. She was always so firm in the faith, never wavering, unshaken! I will greatly miss her good , pure spirit.

Marie was very kind to me. I am one of the recipients of her thoughtful Christmas gifts. Every year I received a small, beaded Christmas ornament with a picture of Christ in the center. In the past I remember talking to her about

the city of Enoch and how wonderful it would be to be in that city. Very special person. She was always happy whenever I saw her and never said an unkind word about anyone. A very good example to me. So sorry to hear of her passing. Thank you Marie for being a friend to me.
