

LaVerne C. (Bernie) Cook

December 13, 1944 ~ February 25, 2025

She was a lovely woman! My condolences.

- Friend

We were the best of friends at Highland. I was always so sorry that we lost contact after graduation. We had tons of fun, got in lots of trouble, but were as close as sisters. I missed our closeness. She truly was a kick in the pants. I’m pretty sure that she was the bad influence in our friendship. LOL Bernie will be missed■
