The pictures of your Mom are so beautiful. Thank you so much for the privilege to care for her and to help you through this process. You are both in my prayers. Remember that we are still here if you need us.

God be with you Susan & your brother!

Susan and Mike, I'm so sorry to hear about your mom. I'll bet there was a sweet reunion with your dad and I'm sure they are so happy to be back together again. Your mom was a sweet and generous lady, we loved her. I'm sure there will be lots of shenanigans pulled in heaven now that my mom, Kay and Coy are back together again. Sending love to you and your families.

I was so sad and sorry to hear that your sweet mother and grandmother had passed away. She was such a beautiful, sweet and gracious woman. She was always so kind to Neta and I when we would visit with her. I always felt loved by her and I loved her right back. I will miss her!
