We were so saddened to hear of Craig's passing. The work he and Sylvia did in the Harvard ward for so many years was a great blessing to many many people. He was a great man who taught me so much, and he was a great friend. He will be missed.

I can't tell you how much Bishop Sutton meant to our family. He may have been short in stature but his heart more than made up for it! I will always remember his smile and that twinkle in his eye. He was a true example of how to be Christ-like. He will be missed!!!

Dearest Suttons, We are so sorry for your loss and please know you are in our prayers. Craig was a wonderful neighbor. We loved seeing and visiting with him as he took his walks. We loved the kindness and love he showed everyone. He will be greatly missed.

It is with sadness that we offer our condolences to Sylvia, Scott, Marni and Calli, and the entire Sutton family. Craig was a great man, always with a smile. He was a friend to everyone. Craig will be missed by neighbors and friends in the Highland Park neighborhood, as well as the many other areas in which he served. Our thoughts and prayers are with the Sutton family. May the peace of the Lord be with you all.
