Oh these words about Pam are 100% true and more! She was a beloved primary teacher to me. She always welcomed me and our friends in her home when we played with Megan. She truly had a light about her and the best smile and laugh. Love And hugs to you Hodson family! She is truly the best of the best.

It is a hard thing to lose a loved one in mortality. But understanding Heavenly Fathers plan brings so much comfort. I just lost my Mother and I empathize with the Hodson family at this time. Please accept my deepest condolences to the Hodson family and loved ones. Her body may lay, but her spirit will continue to live on. Much love. Rest in love Sister Hodson❤

Dean and family, Our deepest condolences at the passing of Pam. I will never forget going to our training for our Inner City Mission and looking across the table when Pam sat down and she looked so familiar. I asked her if she her maiden name was Sonntag and realized that I was sitting across from my former Sorority advisor at LDS Business College. How much fun we had then and being able to serve under both of you on our mission. She has such a special place in my heart. May the Lord bless be with you. We love you.

Love you Pam! We have so many great memories of you and Dean. Taken from your friends and family too soon. Heaven is now a brighter place with you in it.

Our Dear Sweet Pam, all my life I have looked up to my cousin Pam. She always made my day much better when I was with her. Even being seven years younger. She always made me feel loved and welcomed to be a part of her life. We will miss her great example of Christ like love, that mot only came from the heart, but from her every action! I'll miss your great example, cousin. Love Brad & Cathy Hoggan

What the heart loves the most, it grieves for more deeply when it is gone. What brings us the most joy, brings us the greatest sorrow when it passes from our life and what filled our life the most leaves the greater emptiness when it departs. Praying that hope will fill your emptiness, turn your sorrow to comfort and your grief to peace.

I had a great respect for her and I loved her. She will be very missed by all.

I’m Colleen Bauman’s sister. Your mom’s name is an icon in our family. Her name was often mentioned with fondness, and our family has all been treated well at Phillips & Company on many occasions. I feel like Pam and I were friends although I rarely saw her anywhere but at the salon. Whenever I went in for my appointment she was there looking beautiful as always. She always made an effort to talk to me and made me feel special. I will surely miss her but will be reminded of her goodness through her talented daughters. This obit is beautiful. There is no doubt she is already busy on the other side sharing the gospel and helping many settle in for eternity. May her love

and memories feel your tender souls at this time. I’m so grateful that she was a little part of my life!

Dear Dean, Kids, Mark & Peggy I am sorry and saddened to hear of Pam's passing. I have nothing but good, fun and loving memories of Pam. She always made me feel loved, in her cheery way. We pray for all of you that you may feel of her sweet spirit and feel comforted and find peace at this time and in the days ahead. Going our own ways as we grow from kids to adults seems to put distance between being together, but the love I feel for Pam is still the same. May Heavenly Father be with you. PS We will definitely Give to the Missionary Fund. Love, Marsha & Dennis

I was so very sad to hear the news of Pam's passing. I have so many special memories of shared celebrations and holidays with Pam and Dean at Matt and Rachael's house. Pam was always so gracious and welcoming and ever ready for a good game of Skip-Bo. My thoughts and love are with the entire Hodson family. Lani

Pam was a wonderful friend at Highland High and the University of Utah. I lost touch after when I moved to New York but I'd know that smile anywhere. She was indeed a gift to the world.

I express my love of, and admiration for, your beautiful wife and mother. She was so kind and gentle, and always greeted me with her dazzling smile. Her Relief Society lessons were the best ever. May Heavenly Father bring peace to your hearts..... LouAnn, her friend and ward member.

Dear Dean, I am so sorry to read about your wife. It seems to me that you met in my geography class in OSH 175. I remember you, Dean, and of course about where you two sat together. The year I do not remember. I am 92 now and staying put at home. Best wishes to you, Dr. King (just call me Jim)

This is such sad, sad and shocking news. Steve and I just saw Pam's beautiful obituary in the Tribune. Never before have we read an obituary where every single description of the person was so true and so fitting. Everything about Pam is wonderful and your well-written tribute described her perfectly. Words can't convey the deep sadness we feel and the heartfelt condolences we extend. As I write this I keep glancing at Pam's smiling face and remember so many of the funny things she said and how she ALWAYS greeted us with that warm and friendly smile. She was always cheerful and always saw the positive. She was a hostess extraordinaire. She knew how to entertain and she knew how to cook - like no other. Pam really is a friend to everyone - no matter age or station in life. I remember when Dean was the Bishop in Monument Park First Ward. Pam lead the Bishopric wives as a team to see to the needs of the members of the ward. No one was forgotten or left out. Pam sat with all her children on the row while Dean sat on the stand. Pam kept the children well behaved, but never seemed to get mad or flustered or out of patience. She was always a good example to me of a mother who cared deeply about her children and knew how to make each individual child feel loved. I have thought about Pam and Dean many times over the past several years and it is always with love, respect and admiration that I recall the many fun times in their home, at Snelgroves Ice Cream, and other activities. The loss of Pam is a great loss to the community. No one gave more of their time and talents than Pam. Her energy and spirit were always directed at helping anyone she felt prompted to assist. Her lessons and "talks" whether at Jeri's funeral or Pam and Dean's mission farewell were brilliantly composed and expertly delivered. Pam is smart and a ton of fun. She loves people and she loves Heavenly Father and Jesus Christ. It was evident in testimonies she shared but most of all in the way she lived her life. There are so many wonderful things to say about Pam and that is why the obituary was so good. The article said it all and it is all true. She was an amazing woman and it is mine and Steve's blessing to have been an associate of hers. We are so sorry for your great loss and we are praying that you will feel the peace and love of Heavenly Father and Jesus Christ. Thank you Pam for all you taught me, shared with me, and your friendship. We will never forget you. Love, Steve and Sue Ann Alder
