

James Arthur Stewart

April 17, 1934 ~ April 24, 2020

Hi Tom, In catching up on obituaries, I was saddened to see your dad in there. Sounds like he was quite a good guy and he obviously did a good job raising you. Kathleen and I extend our condolences and are hoping you and Kathleen make it through this rough time as well as possible and can focus on the good times you had with your dad. Take care and stay healthy.
