I’m so sorry to hear about Leslie. You will be in my thoughts and prayers that you will find comfort and peace. We had so many fun times together. Leslie was such a beautiful, kind person. She knew her jewelry and sold me some very nice pieces.

Leslie will always hold a special place in my heart. I have a pair of earrings she “just” dropped off to me one day because she saw them and knew I would like them. Until we meet again dear friend. ❤■

I loved Leslie. She was beautiful inside and out! I have fond memories of her our three years at Kearns high school. I’m happy that she isn’t suffering anymore and is with her Savior Jesus Christ who welcomed her with open arms.

As I watched the service, I listened as you shared stories, thoughts and feelings. I knew Leslie for only the years of high school and experienced her only briefly during those years. I remember her as a kind and thoughtful person and as someone who was full of life. A few years after high school ended, I moved away and realize I missed the opportunity to know her and all of you better. I celebrate the way she added to your lives and how you, in turn, added to hers. There's a richness in sharing life together. I loved the view of the mountains and the grass moving to the wind reminded me of Psalm 103. The Hebrew word for "wind" is the same as "spirit and breath." I think how much she added to all our lives, particularly those who knew her best.

I am so sad to hear of Leslie's passing. No one told me she was sick, or ALS. What a shock! We were close friends for more that 35 yrs. The sweetest lady ever. I guess she didn't want me to know or see her when she was sick. She had always been pretty healthy, with very few sick times that I can remember. My condolences to her grown children Camile, Justin and Jared. Also to her sisters and loved one of which there were so many.

So very sorry to hear about Leslie's passing. I loved her ever since the 8th grade at Kearns Junior High. She was so kind and beautiful. I was so looking forward to seeing her at our 55th Kearns High School reunion. I hope her family isn't suffering from her loss. I want to send them my sincerest condolences. I can't tell you how many times I wrote " Leslie Mildred Crafts" in my notebooks. I'm sure I will see her soon as none of us have a permanent lease on this life. Love You Leslie
