

Lila LeBaron

October 17, 1950 ~ March 15, 2024

We are so sorry to hear of the passing of Lila. My wife and I currently live in the LeBaron home in Lake Shore and have rented from Lila for the past few years. She was always such a joy to talk to, she had so many interesting and fun stories to tell!! She had an amazing zest of life and joy and always made my wife and I feel important and loved. She was such a sweetheart. She will be missed tremendously.

Sending you all my heartfelt sympathy and prayers of comfort. Lila has always been my dear friend since high school. She was such a wonderful, sweet and loving example in my life of how our Savior would like us all to be like. Love, Jolene

So sorry to hear about Lila. We love the whole LeBaron Family and were so happy to be able to share many experiences with the family at the cabin for many years. Grace was such a kind person and passed that kindness on to her children. The funeral service was wonderful to watch on Zoom. Thank you for that opportunity.

Aunt Lila, Taught me about finances and always had great advice. She was smart as a whip. She attended high school with my uncle Eric Bylund in Spanish fork. My family used to buy milk from her family in Richfield. I started renting from her four years ago. I'll miss her and are talks.

Truly, your family is one of the best I've ever known. Hearing how unselfish and kind Lila was helps me to know that her brother and all her sisters were the same. I'm so sorry that Lila had such trouble healthwise throughout her life. Right now. I am very grateful she is With other members of her family and so many friends. I think of how much joy came to her as she reunited with Benjie and her parents I appreciate the beautiful sentiments about Lila, and I would like to see changes in my life that Lila's life inspires. I visited with her several times and know that she was absolutely committed to the gospel and her family . May the peace of Christ visit all of you as you continue to be the amazing strong people that you are. I love you, Linda, Jennie, Julie, Fern, and John.
