JoAnn D. Smullin

January 6, 1942 ~ January 30, 2020

When we got your Christmas card returned, I typed in your name and found out Joann passed away in January of this year. We are so sorry for your loss Andy. We are sorry we were not able to be there for you. We know the Lord will bless and comfort you even in these times of trials. May you continue to have joy in your life. May the small and simple things bring joy and happiness to you this Christmas. May Christs Spirit shine brightly on you Andy that you may receive the blessings you need. Love Always, Jerry and Chris Sell
