My condolences to your family. I hope that God will bless and comfort all of you. Pattie is a wonderful woman and friend. I don't think there's anything I can say to ease the pain of your loss. One thing one of my uncles told me when Melanee died. Losing her is like cutting yourself. Eventually the cut heals but there will always be a scar there. Time heals all wounds and just remember that families can be together forever. I look forward to when we'll all be together again. My love as well as my thoughts and prayers go out to all of you.

To Patti's family: My deepest condolences to all of you. Patti was such a sweet lady. I will miss her very much, I thoroughly enjoyed it when we would get together for dinner or a birthday celebration. I was one of the friends she re-connected with from Glendale Jr. High. I know all of us are so saddened by her passing. Patti I hope you found peace you deserve to. God bless all of you.

I just wanted to let you all know my thoughts and prayers are with each of you at this time. Pattie was so good and kind to me always trying to cook my mom and I a dinner. She was always thinking of someone else and trying to do something for them. I know she loved each of you very much even through her struggles at the end. All of you were what was important to her and she told me that. Sincerely, Darryl Syversen
