

D. Carol Satterfield

September 21, 1933 ~ July 16, 2021

What a beautiful tribute for your mom. I'm sorry I never met her because she sounds like fun lady and fun to be around. Beautiful picture you picked out with that 'let's go have some fun' and mischievous smile. Big hugs from Neil and me to you Sherrie, and all your family for your loss. I agree, she is on to her next adventure! ■❤■■

I have known Carol and Ray since 1980 as they were patients of the Dr. I worked for. I fell in love with the whole family and is known to most of them as Grandma Squirl. I just want you kids to know I will always be here for you and there will never be another Carol Satterfield. She and I had so much fun together. Maybe too much. lol I love all of you and just know that she will always be with you. I love all of you..

I am thinking of you all on this weekend when you will celebrate your mom. I will miss my Aunt Carol very much. She was always such a fun, spunky, sweet and loving person. I am grateful for the wonderful loving care you gave her especially in this last year. I am grateful that I was able to visit with her 3 times in the last year. Each visit is precious to me. My love and prayers are with you all.
