December 10, 1940 ~ August 19, 2025

Dear Jeff, I wanted to send my thoughts during this time for you and your family. My hope is that this is a celebration of your mother and the life that she lived. From her obituary, she sounds like a truly wonderful woman who cared deeply and was a joy to be around. I hope you and your family know that we are thinking about you and sending thoughts and support from afar. Warmly, Court Creeden
