

Dale Osborne

January 23, 1933 ~ February 24, 2021

Such a small obituary for a large life. I last saw "Uncle Dale" at the SLC cemetery. I used to go to straighten Paul's memorial. I mentioned my indecision about private school for my children. He said it was always a good choice. I chose it. He was right. RIP

- Dawn Allison Russell

Thank you for your sacrifice and service to our country sir! May God Bless your family at this difficult time. i salute you!
