Larkin

Glenn Russell Childs

December 25, 1946 ~ June 6, 2018

Just found out about Russ. I went to basic USMC training with him in 1965. We had the best platoon. He was one strong guy and had a sense of humor and was a natural leader. He has earned his eternal blessings and will be welcomed by his relatives on the other side. God bless his family and friends. BB
