May 2, 1985 ~ January 13, 2025

My condolences to the family. I will always remember the kind hearted person that he was.

Very sad to hear that Dan passed away. We were really close in high school and even after we split I still thought of him. I actually asked our friend Zach a few years ago if he has heard from him or had his number because I wanted to contact him. Wish I could have made contact with him again. He was a great person and will be greatly miss. I have a notebook from our school years still that we would pass back and forth throughout the day to each other. Rest in peace Dan
