Those are two great pictures of Dane. Kind, caring, good natured, and a thousand other positive emotions come to mind when remembering Dane. I didn't know him as well as I'd have liked to but remember several good times I shared with him.

I just learned today at the Utah Food Bank the sad news of Dane's passing. Dane was always so friendly and helpful when I came to the UFB to pick up our pantry's order. I will miss him - and I am certain many others will as well.
