

Daniel J. Burgess

February 19, 1961 ~ June 23, 2023

So sorry to hear about Danny…we met through my sister Kimi Eklund, and he sure lit up a room with his energy! My favorite memory is playing Euchre (a Michigan card game) with Danny, my Mom, and my sister…we laughed so hard and just truly enjoyed that moment. May your hearts be full with positive memories of this brilliant man. He did everything with great passion. So sorry for your huge loss. May peace be with all of his family and friends.

I am so very saddened to hear of my very good friend Dan's untimely passing. I have known Dan for over 40 years, both professionally and personally. I had the good fortune of seeing him a few years back at his beautiful home in UT. Dan was the consummate professional, very smart, hard working, extremely friendly, and a joy to be around. He may not be physically with us, but fond memories will live in my heart and mind forever.

Met Dan the first time at my wedding (married to Vicki Kaltz) oh my…. Such an Impression he leaves on people. He defines altruism to its finest. One of those people you meet and think about the rest of your life. I felt inspired after each….. and every… conversation I had with him. He most certainly left a positive impact on this planet

I knew Dan for roughly 20 years. He was brilliant. I loved him like a brother. Always made a positive impression and he was an inspiration to us all. I will miss him dearly. I wish I could have one more of those 10 minute phone calls that went on for an hour. He just meant that much to me and everyone he met and worked with. Love you brother.

You made the world a better place.

Dan was a great friend and colleague. He was patient and willing to answer all questions which arose in our challenging profession. He will be remembered for his professionalism and his great wealth of knowledge as well as his love for his family. God give His peace and support during this challenging time to his family.

I am so sad to learn this. I was friends with Dan in high school and on the wrestling team with him. He was a great guy, always a smile on his face and full of energy. We lost touch after high school. I reconnected with him by phone 4 years ago and am sad I didn’t keep in touch with him afterward. Prayers for his family and friends.

I was Dan’s high school wrestling coach at Rochester Adams in Michigan. He was one of the toughest kids I ever coached. Smart, hard working, fun loving. Couldn’t ask for any more of a great student athlete and young man.. He’s gone much too soon. God bless Dan, his family and inner circle. I’m saddened, I always had utmost respect for him. RIP my friend.
