Sorry to hear of the passing of Dan. I love our double cousins. Greatful for our heritage. Love, David Bagley

- David Bagley

Our thoughts and prayers are with your family. I miss the summers we spent watching fireworks and eating pizza during Midvale Harvest Days. I will forever cherish all the childhood memories I have of spending time with your family. Love, Christie

The loss of a beloved member of one’s family is always hard. But the Lord provides ways to ease the pain. My condolences to the family, and may we all walk with God.

I’ve had the pleasure of being in Dan and Vickie’s lovely home on multiple occasions and was always warmly welcomed. I enjoyed getting to know both of them better. I have found Dan to be a good soul with a wide range of experiences and interests, the most important being his family and his faith. I pray that the Comforter may assuage his family’s loss and grief as they mourn their temporary, but difficult, separation from their loved one.

Well, this sucks. I'm so sorry to hear this news. You were an honorable man. One of the few. The best boss I have ever worked for, and I am glad that we were able to be friends as well. You helped me get into K9 (Which was one of the most fulfilling things I have ever done in my life.) Thanks for all you did for me. The world was a better place because you were in it. Thanks Dan. You will be missed greatly.

- Allen Crist

Vickie, I was so saddened to hear of the passing of Dan. I was not aware that he had been sick. May you and your children feel the loving arms of our Savior around you at this time. So thankful for the knowledge we have of the atonement, and the promises we made. I know, as you do, that "Families are Forever". Love you Vickie.

What a great man. He is so kind to all. He is a friend to our family for many years. I always admired and I look up to him. He genuinely nurtured those around him in such a strong, yet scuttle way. God bless Lincoln

- Lincoln Paxman

My sympathy to all the family. To Chris, specifically, I offer my shared feeling of total loss at the loss of a brother. Impossible to replace and impossible to forget. Bob Gunnarson

Uncle Dan, you have always been so kind and generous to me and my family. Thank you for your love and support. Thank you for truly caring for others. Your legacy lives on in the big hearts of your children and grandchildren. All my love to your family.

- Rhyetta Musser

Dan served his family selflessly. There is so much comfort in knowing someone is there for us when we reach out. Uncle Dan picked up the phone every time. He changed the course of my life and I am forever grateful for his time & advice.
