Lin was a wonderful neighbor and friend. She was witty, kind hearted and a good friend to our family. I always enjoyed our many chats and the offer of a soft drink. We have missed both Lin and Connie in our neighborhood. Much love to our friend Connie and to Lin's family. We love you!

A beautiful service for a beautiful lady. My love and support to Connie, as she learns to be a "me" after so many years of “we and us.”
