June 27, 1973 ~ January 5, 2024

I remember Danielle's sweet spirit when she lived in Reedsport, and her adorable sons. My condolences to the whole family.

Tom and I are both so saddened by the passing of Danielle. We only got to know her for a brief time before leaving the Rogue Valley, but our memories of her are of a sweet and gracious woman who always had a smile on her face. She will definitely be missed by those who loved her. Our condolences to your family on your loss. Love

i love you and miss you so much mom

- Gaven Banry

I have been praying for your family. My heart goes out to you Jared, Jared and Gaven. Boys, your mom was a special person to us at school, but I first knew her as your mom when Jared stepped into my class at 5 years old. What an incredible mama you had. She loved you both so very much and was always there to care and support you. She always wanted the best for you and to protect you. Even though I am sure you feel cheated of time with her, I pray that you will hold onto the diamond moments you had with her and see the time you got with her as a blessing. I also hope you can let her influence your choice in a wife someday and how you will parent by keeping her model as a standard. Danielle was grounded, acted honorably, displayed love and kindness, and spent her time serving others. You couldn’t ask for better in a mother. I am deeply sorry for your loss, I wish this hadn’t happened, but I pray you can hold onto the positive because that is what she would want for you. Love you all!
