

Marie-Claire Colassin Parker

August 15, 1942 ~ September 27, 2024

I'm so sorry to hear about Marie's passing, the Parker's were in our Sandy Ward. I wouldn't trade the friendship's that I formed with this family. Andrew & John went to school with me and because of the way they respected other people, I knew it was from good parents like their Mom & Dad.

I was so sorry to learn of Marie-Claire's passing. Such a sweet person! My condolences to the whole family. (I arrived in the French East Mission in 1968, not long before she departed the mission.)

Dear Floyd - hello from the past and to say what a great loss to this side of the veil of an elect lady. I send my love and sympathies and pray you are comforted by the Lord and your family. It was the great honour of my life to serve in the same ‘army’ as Marie-Claire and yourself. Les x

The first time we met, I was barely seventeen and she was eighteen or nineteen. It was our first church activity. We became friends for life. I send to all family members my most sincere condolences. You must miss her so much. Marie Claire was always beautiful, physically as well as spiritually. She was brave and worked hard to maintain her family. I am so sorry for your loss. It’s always too soon. .
