I send my love and condolences to each of you at the loss of your wife, sister, aunt and friend. She is a wonderful woman and will be greatly missed

Jean and I were fortunate to share a number of wonderful times with Marie and Bob. Describing Marie as talented, funny, sweet, generous and beautiful only gives a superficial description of this wonderful friend. From many phone conversations over may years, I will never forget her infectious laugh and wit. We send our love to Bob and pledge our friendship forever. Rick and Jean Geller

Marie was truly a sweetheart whose grace, kindness and class obviously came very natural to her. The trips and dinners with Bob and Marie are some of our favorite times. We are truly thankful for the friendship that started almost 30 years ago in South Carolina. The last few years we conversed by phone and Marie loved to hear me say "We're good to go". Our prayers are with Bob and family. Love Marilyn and Nikki
