

Darrel Lew French

October 29, 1930 ~ July 19, 2023

Our family loved Darrel and enjoyed his kindness and love he showed to everyone he met. His amazing singing voice was so beautiful. I loved singing next to him and felt like he was blessed to have such a talent that he loved to share with others. He was one of the great guys in this world and will be missed. Our thoughts and prayers go out to his wonderful wife and family.

I am saddened at the loss of two of my most favorite customers in the world. Darrel and Barbara will truly be missed. They were the most loving, kind, caring, sweet, pleasant people I've met and had the pleasure of serving at the neighborhood grocery store. They truly were special. It always made my day to see them. I truly loved them so much. Sending love and hugs ❤■

One of the sad deficiencies of a democracy is finding good people willing to serve. One of the sad deficiencies of church choirs is finding good voices willing to sing. Darrell, to the great benefit of our community and our choirs was willing to do both—admirably. I wasn't often in attendance at township council meetings but knew he was there and took comfort in knowing he brought his rational mind with him. I was in regular attendance at ward and stake choirs and Messiah Oratorio, and sat beside him in the tenor section, for appearances as he could have been the whole section by himself, and was enthralled and kept on pitch by his mellifluous voice. Barbara, not acknowledging singing talent, was most dutiful in supplying the need of a great performer, a star audience member. Treasuring the memories and sending condolences to Barbara and fellow professional Lisa, and the other French's I don't know. Louis Moench
