So very sorry to hear about Marilyns passing and pass on all our love to her family.

- Karen Angus

I loved her dearly. She was a fighter and will be missed. She is in no more pain. I love you cousin.

- Sandra

My deepest condolences at the passing of Marilyn. I met her at Silverado with my dad and her dad. She was always such a great help and comfort to us all. Please let me know when the memorial will be. I would like to come.

I'm so deeply saddened by this news, but everything stated here is my exact memory of Marilyn. She was my second mom when I was a child. Last time I saw her, I stopped by on a whim with my own child with me and we sat and chatted for some time after not seeing her for probably 15+ years before then. You are definitely missed by those that loved you Marilyn.

- Chevelle

My heart is broken ■ Marilyn was a 2nd mom to my daughter Chevelle and we love Marilyn dearlie. She has been in my thoughts and heart for years since Chevelle was a child and she is 43 now. Marilyn was a remarkable, loving ❤■ amazing woman and Chevelle tells her daughter about her too. Love you Marilyn ■ ■
