John and I were Friends. We had a common Friendship. We were both employees of Tooele Army Depot. John and I were good friends of Floriano {Fred} Valdez. We all were employees of TEAD. I went to visit Mrs. Valdez After Fred's Passing. She told me a story, She said that Fred used to say that God gave him two Daughters but, He also Gave him Two Son's. John Chacon and Frank Aragon. We both loved him and took care of him. He was old enough to be our Dad, but He was our best friend and he loved us like we were his his Son's and we loved him back.

- Frank Aragon
