Dearest LaDean and family, I want to share my love and gratitude for your example and I will always remember how David was so kind and an amazing and really awesome smile, literally every single time I saw him as a kid he was smiling! He was a happy person and thank you for all that you are. I am sorry to hear about the loss of David and know he will be sorely missed. Dad always talked about great times with Dave during a hunt or a fish and I know that he was such a huge impact on my Dad. With all the love and light! Trent and Andrea Dransfield I

This man! Some of my fondest teen memories are in your home. I watched closely how much he loved you LaDean and how you were all excited when he came home from work. I saw what it meant to be a husband and father and have often reflected and on his example in my own parenting. He'd come home and we'd make a fire in that incredible yard and sit and talk. Loved being in your home. You both were so welcoming to me. Grateful for your impact in my life. I'm so sorry for your loss. He's been a hero of mine all these years.

So sorry to hear about Dave's passing, he was a great cousin, along with all his brothers, me being the only girl among all those boys , I love them all. God bless you and your family. We are in St George at this time attending our granddaughters wedding and cannot attend Dave's funeral. We love you, Ritch and Susan
