I send my love and condolences at the passing of My cousin Denece. I have good memories of times l visited her home and admired her elephant collection. I enjoyed the times that she and Kirk came to visit Grandma Edler and my parents. Ralph and Mina Giles. Once She ask me to tend the boys for a few days, and it was a delight, in fact we named our son Bryce after your Bryce. She invited my family to dinner and served us her homemade pie. My you all feel peace and comfort, knowing where her spirit is and that you will see her again! Love Karen
