

David Franklin Mengis

December 4, 1952 ~ October 14, 2023

We walked the road less travelled together growing as Brothers forever! Remembering our great times, smiles, hardships and celebrations! Thank You for hanging on so we could share a little more time, visiting together. You have gone to Heaven before me, however I plan to meet You there! May JESUS CHRIST TOGETHER WITH OUR HEAVENLY FATHER GOD BLESS YOU AND KEEP YOU DAVID….

My life is much richer having known Dave. He was my classmate at the Citadel. It was such a wonderful, difficult time in our young lives. Dave with his very upbeat and inquisitive mind was always a pleasure to be in his company. I will cherish those times forever. Our classmates will reminisce and honor his memory at our 50th reunion in November 2024.

We will always remember Dave with a loving smile. There are not enough words or time to really tell the stories behind this guy's life; or all the good this man did for so many. He WILL be missed. We especially remember his wonderful sense of humor, when needed-- his splash of seriousness, incredible aeronautical skills (just ask him), and mostly his devotion and love for his wonderful family.

So sorry to hear about Dave. We are thinking of him and yourselves over here in Ireland. Our condolences… John and Margaret Carignan
