I'm so sorry to hear of Mark's passing. I have so many childhood memories of Mark. Still to this day, whenever I go up deep canyon, I can't help but remember Mark's deer camp and all the memories on the mountain. Rest in peace ol friend.

When we were kids, I always got excited to visit Uncle Gerry, Mark, Kathy and Terry. Time passes and we all have separate ways, but we're happy to have the almost annual Green reunion where we were together, minus Terry, he having left this world way too soon. Whenever we were together we talked of me visiting the Big Horn and spending some time with Mark, where my dad and I regularly hunted deer before the area was purchased by the Big Horn. That's an oft repeated sentiment about procrastination. I was stunned to hear of Mark's illness; I did not know. I miss him already.

May God be with your family at this time of loss. He was a good man.

My heart goes out to the family. Mark was an amazing man. He was very supportive of our youth boxing program and was instrumental in helping the Fullmer boxing club help make a difference in the lives of some disadvantaged young people. He was a good freind and always concerned about about those that had challenges. He will be missed.

Our hearts are broken at the news. Mark was not only a dear friend but the best neighbor ever!!! Since buying the house across the street from him we became close friends and his smiley face and ever present friendly attitude brought joy to our hearts. We love you Mark!!! You will be missed.
