Wer werden uns wieder sehen, vielleicht nur um zu verstehen, dass, das Leben an sich manche Wunder verspricht. So long!

Thank you for your kindness in letting me and my boys mow your lawn, but most of all you kindness, spunk, and chats on the front porch. We love you and will miss you but know you are reunited with your eternal family. We love you, Steven,Maren, Josh, Jaxon and Jarom Gilbert

I wish I could be there today. Martha "is" an amazing lady of courage, determination, and faith. She has tirelessly tried to complete her family history and felt she had one more name to go. I committed to her we will complete it. She is an example of optimism and hope. If I can become half the person she is, I will be a happy man. Our thoughts go out to the entire family. What a lady! What an example! What a teacher! What a friend! Jody Davis. Intermountain Hospice
