

A. Gardner Buchanan

Dec. 26, 1954 ~ April 27, 2021

Gardner worked for me when we were with Ozark Air Lines. I assigned him as Sales Representative for our Northern region. He was well liked by the travel agents. He met his first wife Molly at our office. She was doing an internship with the company. It's a shame that he is gone at such a young age.

Dear Carol and your family I am so sorry to hear about Gardner passing. My thoughts are with you especially today May 8. Love Jan Zoeckler
