

David Paul Greer

May 29, 1954 ~ August 10, 2023

Jeanie and family, David’s obituary is a beautiful tribute to an amazing husband, father and grandpa. He leaves behind a great legacy. I’m sorry he is gone too soon. I will continue to pray for all of you to have peace and comfort to move forward without him. I wish that I could be there with you Saturday to give you a hug. I know how important it is for you all to be surrounded by love. Love, Shelly Walters❤■

Jeanie and family, We are sorry to hear of Dave’s passing. Know of our love for you all at this difficult time. His organ music is one that I still talk about years later. Patriotic and Christmas songs are not the same without “Dave’s Touch!” Love to you all!

To David’s Family, Although none of you likely know who I am, I would feel remiss if I missed the opportunity to express my sympathy to you and my respect for David. He was a good man who I recall as one always willing to stand firm in what he believed was right. I was inspired by his sharp mind and his ability to process information and recall fact. He had a positive influence in my life. I am glad to have worked with and know him. God Bless Kent Whitehead
