Uncle Dave was so great! He will never be forgotten. I have so many great memories with him and all the times I got to stay at his house during the summers and hang with my sweet cousins Tommie and Jessie. Those were some good times that I will never forget. My heart and prayers go to all of his loved ones. Rest easy uncle Dave! We love you

Dave has been my BFF for over 50 years,we joined a pool league and golf league together.He once told me he had more brothers and sisters than I had friends and then he proved it. I went and visited him and I’m so thankful I did as I was walking out of the room i said “ Dave Kunz I love you “ and he replied love you too buddy.

Dear Ruth & family, I was quite surprised and dismayed to discover that David had passed. I have a lot of fond memories (some that are not to be shared) of our times together, both as children and as young adults. I sincerely hope that you and David's extended family are well. God Bless you all! Bernie
