

Mary Rita Bowerman

May 16, 1935 ~ January 6, 2024

Condolences to the whole family. Growing up moving town to town on the same jobs our families spent a lot of time together. Mary is one of the nicest people I have ever been around. She had a way of warming every room she entered. Family (both her own and our Kiewit family) was always first in her heart and she made it a priority.
