My condolence to all of Ralph's family out there in Utah and here in Indiana. He will be missed by all of us but the memories we carry in our hearts will give us comfort in the days ahead. I loved his smile and sense of humor. May the Lord keep each of us during this season of grief.

Elzina, Debra and Lynn... As a family, we share your grief and offer our heartfelt condolences. I am thankful for the memories I have of my brother - his smile, the way he laughed, his zest of for living and how he so loved his family. Even though I can't be there with you, know I feel your loss and I'm sending you hugs, kisses and the occasional pat on the back. You are in my thoughts and prayers. Love you guys. Aunt LaVerne
