My deepest condolences to you and yours. I know how you all feel and what you are going through, for I have lost loved ones recently as well. I am shocked and saddened when I came across your post on FB of Aaron's passing. Although I'm not a close friend of Biggie, he was always a stand up guy. We know each other through our love of the 4th gen Toyota Supra. He's alway greets me when he sees me and I likewise and we chatted many times. . Biggie is great guy and will surely be missed!

My condolences. I was in total shock when I heard of his passing from my brother who is in Utah. I moved to CA from Utah where I met Biggie about 20+ years ago in the car scene. I am saddened even typing this. He was a humbled man and will surely be missed. ■
