

Michele Baer

March 21, 1966 ~ July 13, 2025

Michele was such a kind and loving neighbor and such a wonderful grandmother to her grandchildren. Sending prayers for comfort at this time to Sam and your family.

We didn’t know that Michele had passed away, until today. I’m so deeply saddened, we are so. Michele let us know she was not well and was retiring. We loved Michele for the sweet and beautiful human she was! Michele treated our family so well, like her own family. She understood all that we had and were going through. And, as our Accountant- made “miracles” happen. Most importantly, Michele became a sweet friend who walked us through a very difficult time in life and helped us find hope again. I’m certain Michele is enjoying Heaven with Jesus Christ! Hallelujah!■■■■■
