Hello, I met your family while also at IMC. Meeting you, in what was probably the most difficult times of our lives, what such a blessing. The hugs in the hallway, the kind words, the tears - it was something that helped me navigate the most difficult situation. Thank you Abby, for sharing your family with me. You are a blessing to people you haven't even met before. All my love - Amber

We will forever be changed by Abby’s example of love for others and her spunky attitude. That makes us all happy. She was completely honest with you and encouraged others to be their best self. The world is a better place because of her presence and she leads us by her example still today. Our heartfelt deepest sympathies for those who still have time here on earth without her. May we find peace in knowing you are sharing your light in other ways and you are surrounded by others who love you too. God bless you and your family until we meet again. Help us to keep smiling. Love the Palmer’s

Dear Kirk, I was deeply saddened to hear about the passing of your beloved daughter. Words cannot fully express the sorrow and grief that you must be feeling in this difficult time. Losing a child is an unimaginable pain, and my heart goes out to you and your family as you navigate through this profound loss. Though her time with us was far too short, her memory will forever remain in the hearts of those who knew and loved her. Please know that you are in my thoughts and prayers. May you find comfort in the cherished memories you shared with her and the love and support of those around you. With deepest sympathy

I have so many happy childhood memories of a summer of fun with Abby and Kayla. Splashing in the pool, making homemade snow cones, choreographing dances in our basements and lots of crafting. Abby’s projects always turned out way better than mine. She is a bright star and I am so grateful I got to share this time with her.
