Mitch, It’s so surreal to see your pic in the obituaries. This isn’t getting any easier. We miss you so much! You were an amazing brother and I’m grateful we grew closer together over the past several years. You are gone to soon! You know I’ll do whatever I can to keep your legacy alive (except fight 5 guys at the same time, maybe 3). I love you bro, I’ll see you soon!

Marcy & family: Words cannot express how sorry I am for the loss of your brother. Although I did not know him, I bet I would've loved being in his presence. I understand your pain of losing a brother all too well. It’s a void that cannot be filled but the memories are what hold us together with the understanding that they’d want us to live on and just be happy. Hearts, hugs and prayers to your whole family as you go through these next days, months and years. He’s up their with my pops and they’re smiling down upon you. Love you Marcy!
