Tonee and Paige, I wanted you to know that you are in my Thoughts and prayers. I am so sad but relieved he is at peace now. I stopped to see him this past summer. His last words to me were "love ya Sis". I am very grateful to have that memory. I love you all Aunt Julie.

I'm 45 years old now iv known Mitch literally my whole life. We idolized Mitch as the neighborhood kid The whole neighborhood looked after him in any way as time went on. He battled some demons. he will be missed & his memories will always stick R.I.P. Mitch

I was very sorry to learn about my friend's passing. I found out on his birthday yesterday. We were very close in our Jr. high and high school days.We had some of the funnest times of our lives during that time. We had great trips to Las Vegas Lava Hot Springs, and Strawberry. We kind of drifted apart because I moved to Cali for 25 years. I moved back and went and saw my buddy about 7 months ago.He seemed well to me. I will miss him. RiP my brother.
