Tads, My heart is broken!! I keep replaying so many memories I have of you over and over in my head. We had so many laughs together, late nights watching dumb shows in your room with the volume on full blast, making “Karl nachos” at random late night hours, you singing songs to me on the karaoke machine at the cabin, teasing me about my “tiger nose”. You always had a way of teasing me yet loving me so hard at the same time. You would say something stupid and then turn around and scoop me up and tell me how much you loved me even though I was annoyed with you. You never let that last very long and you always made sure I knew you loved me. I wish I could tell you and your brothers how much I love all of you and the huge role you’ve all played in my life. I’ll miss you a lot Tads. I hope you, Dev, & Landy had the happiest reunion. Love, Teash
