We are saddened to know of Denny’s passing. He always was nice to my family and me throughout my career. Our prayers are with you and with all who knew him from his days with the SLCFD.

I had the privilege to work with Dennis for many years. He was always a great inspiration to me. His energy and passion for the fire service was remarkable. You could always tell that the Battalions Chiefs he worked for looked up to him and trusted his instincts and confidence. He will be missed.

Linda and Cindy, My deepest condolences on hearing to you and your family. Denny served our country and city with honor and dignity. How proud you must be to have him leave quite a legacy. May you find comfort in each other's strength during this difficult time.

I heard of Denny's passing from Dan Andrus. As a member of the SLCFD dispatch office, I had the pleasure of working with Denny for my entire career. I'm preaching to the choir when I tell you he was a good man and Great Firefighter, Dog Robber and Chief. I have fond memories of him. I hope that time eases the pain of your loss, and that you can smile again when remembering him.

I am deeply saddened by the passing of Denny. It was always a pleasure to come mow the grass and visit, if only for a few minutes. May the God of your understanding comfort you at this difficult time.
