

Nancy Lee Perry Iverson

September 7, 1930 ~ April 27, 2026

I only had the pleasure of meeting Nancy! ..But I knew her sons, Brent, Val, and Don! She had such a beautiful relationship with her sons! I believe they are the ones that helped her achieve 95 years of noble life, especially Brent! What mother wouldn't be proud of how he took care of her, especially when he had lost his brothers!! Bravo to you, Ms.Nancy for having raised such wonderful sons! Rest in Peace ■
